Discussion – Status of PSC Solar Incentive Payments

The board may discuss matters relative to the IRA “Direct Pay” incentives with project partners.

Ms. Milikowsky brought the board up to speed on the efforts of town staff to understand the process by which the town could apply for and receive the 30% “direct pay” incentive for the Public Safety Complex solar array. While the Town is still seeking guidance through PowerOptions and (potentially) other vendors and consultants, it is anticipated that a slight reduction in the 30% incentive may result due to the means by which the funding was secured. However, the reduction would be approximately 15% of the total amount of the direct pay amount, and add up to no more than a few thousand dollars. Mr. Johndrow expressed concern that the numbers as they shake out will not match what Town Meeting members were provided as rationale for approval of the project. Ms. Milikowsky agreed, noting however that no information in regard to this reduction in the direct pay amount was known prior to the last week.

Further, Ms. Milikowsky noted that long-run projects of the cash benefit to the town remained significant.

Mr. Steve Holt: When will the array installation be completed? Ms. Milikowsky: On track for the end of the calendar year, with ‘permission to operate’ received within (hopefully) two to three months after.

Ms. Laurie Sanders: Thank you for your work in making this project happen.

Tentative: Request for Release of Right of First Refusal – Mine Road

No materials were presented for review. No action taken.

Tentative: Request for Release of Right of First Refusal – Chesterfield Road

No materials were presented for review. No action taken.

Discussion / Proposal –Public Drop Boxes / Public Notices

Discussion on potential relocation of Outdoor Public Notice Board, and location of drop boxes for Clerk and Tax Collector. Votes may be taken.

Mr. Johndrow recommended the following:

- Move of the Public Notices to the north wall of the Town Hall, adjacent to the North Side door of the main hall
- Move of the drop-boxes for the Collector to the rear door of the Town Hall Annex, adjacent to the rear entrance to the Annex.

There was discussion in regard to the need to promote and advertise the new locations for each.

The topic was tabled to later in the year, in order to understand the availability of funds.

Committee Reports

Receipt of reports from Town boards or committees as may be available; reports may include any topic within board or committee purview. There may be discussion on any topic presented. Votes may be taken.

Recreation

Ms. Dale Kasal noted that one member has resigned from the Recreation Committee. Ms. Kasal also noted that the Elementary School has received a grant to help fund a pickleball program.

Police Study Committee

Ms. Milikowsky asked about the final report of the police department study committee and asked what the next steps were.

There was some discussion relative to the options open to the town in regard to policing in Westhampton. The board discussed the potential paths forward for policing in Westhampton.

After somewhat extensive discussion, Ms. Bronstein suggested tabling the matter, but plan to address it at an upcoming meeting. It was also suggested that the board could seek input from the Police Chief in regard to how policing works in Westhampton.

Department Reports

Receipt of reports from town departments as available; reports may include any topic within department purview. There may be discussion on any topic presented. Votes may be taken.

No Department heads were present and no reports were provided for review.

Administrative

Review of Correspondence if any
