

Clerk's note: Conservation Commission

Meeting Minutes July 15, 2026

Members Present: Bill Randolph (recording), Fred Morrison, Brad Morris

Also in attendance: Risa Taell, Della Torrey, Katelyn Thompson, and Jane Deihl

1. Call to order: 7:00pm.
2. No new correspondence.
3. No new minutes to discuss or approve.
4. 7:15 open the hearing for 70 Peninsula Road (PIL). Document received from Foothills Health District to the Westhampton Board of health providing a variance approval statement for placing the septic tank 43 feet from the owner's well, which is less than the required 50 feet.

Cons com also received and reviewed the NOI application and blue prints outlining the project. Members of the conscom approved the order of conditions and signed the NOI. The homeowners were reminded to post the DEP's file number in plain site for the public to see.

5. Katelyn Thompson from 5 Mine Road is planning to construct a new home. Cons com members reviewed a surveying map identifying the location of the proposed site and determined there are no issues with wetlands.

6. 10 Westshore Drive (PIL) property owner Jane Deihl. Cons Com has not received a RDA regarding the relocation of a septic tank. The commission helped the property owner understand the steps for filling out an RDA and set a public hearing date for the next meeting on 8/5/26 if a notice is posted in one of the local papers.

7. Meeting adjourned at 7:53 pm.
