

Clerk's note: Conservation Commission

Meeting Minutes 8/5/26

Members Present: Alyson (recording), Bill, Fred, Brad

Also in attendance: Bill Jablonski, Steve Holt, owner from West Shore Road

1. Call to order 7:03pm
2. Quickly review Hull Cutting plan, nothing in our jurisdiction
3. 7:05pm discuss conditions with Bill Jablonski regarding the Towns bundled NOI, they will remark trees that will be affected by the change in plans. Tentative start date for the project August 10th. Bill will continue to advise as project gets underway.
4. 7:20pm discussion about new septic on West Shore Road. Project was approved and paperwork signed by board. Owner took the paperwork and will supply ConCom with a copy.
5. 7:30pm discussion of ongoing project with cease and desist on route 66. Steve Holt has been assisting them a bit and they may be at the next meeting to discuss further details. They have asked about cutting a couple more trees in the area that are suspected dead or dying. No determination was made.
6. 7:40pm discussion of property on South Road where a Goshen stone stairway has been made into the stream. No paperwork or information has been provided by the property owners. Alyson will stop by and ask them to stop working on the current project and attend the next meeting so next steps can be determined.
7. 7:55 meeting minutes from the last meeting were read by Bill and approved by the board.
8. 7:58pm meeting was adjourned
