

Westhampton Public Library Board of Trustees

Date: May 12, 2026

Time: 6:00pm

Community Room Westhampton Public Library

In-Person and Virtual Meeting

Present: Meaghan Schwelm, Anne Marie O'Reilly, Angela Griefen, Rick Tracy, Jackie Brodeur, Deb Estelle

Absent: Alison Thirkield

Call To Order: 6:02pm

Minutes from Last meeting: Approved: with a language change to the acronym MAR: Municipal Appropriation Requirement to MER: Materials Expenditure Requirement. It was felt that using MER better reflected the line item in the budget. Minutes were updated to reflect this.

Treasurer's Report

Building: \$3594.48

State Aid: \$13,078.24

Deferred Town Monies: \$17,110.53 – Expenses; 14,702.90 - Salaries

1 General Audience Programs 40 attending

Circulation: 1,790

eBooks: 480

Friends Report

1. At the last meeting of the Friend's they discussed how to demonstrate support for the Library at the Town Meeting.
2. There was discussion about the Annual Newsletter and Appeal.
3. Support was voice for supporting the replacement of the Community Room defibrillator.

Old Business

1. Discuss and address budget impacts from outcome of Town Meeting: It is not clear what this will mean until after the town votes on the override. There is still a chance that the budget allocation to the Library will not meet MAR in which case a waiver will need to be applied for by the town.

New Business

1. Review Updates to Social Media and Meeting Room Usage policies: See policies from Swansea and Forbes Libraries.

Alison will review and revise language to coordinate language with the existing Behavior Policy to ensure continuity and eliminate any possible conflicts.

The Trustees agreed that the policies should specifically state that no personal information should be shared or included in posts; all posts should be subject to the same guidelines as the behavior policy, ie. The administrator has the right to remove and or modify any posts.

Additionally, the policy should explicitly state that the Library is not responsible for young people's use of our social media.

2. Follow up on the condition of the defibrillator in the Community Room: The battery is not able to be replaced and the defibrillator will need to be replaced. The Life PacCR2 model was the suggested replacement. The cost for this unit is estimated to be \$1400.00. See additional information in the Friend's Report.

Any other Business to come before the Trustees, not anticipated at the time of posting of this agenda

1. Anne Marie has been able to add almost all of the Library documents to the google drive where they are easily accessible.
2. Town Elections are at the beginning of June. We will re-organize the Library Board duties and responsibilities at the June Meeting of the Trustees

Meeting Adjourned: 6:50 pm

Next Meeting: June 9, 2026
