Call to Order

The meeting was called to order at 5:47 PM.

PRESENT: Bronstein, Johndrow, Milikowsky.

Also present: Douglas Finn, Others as noted.

Public Comment

Mr. John Shaw: Please ensure that any conversation in regard to the Athanasiou matter be conducted.

Mr. Steve Holt: I would like to ensure that parking for the library concerts in the summer on Stage Road shall be perpendicular to the road, pointing into the library property, with no parking on the opposite (south) side of stage road. Mr. Holt will direct parking to help ensure compliance with the parking pattern. No objection from the board.

Mr. Aaron Bauer: What has been done relative to the matter raised at the last meeting?

Ms. Bronstein: The matter is being referred to the Agricultural Commission, and all parties will be advised.

Mr. Bauer: What is the status of the matter relative to my appeal?

Ms. Bronstein: We can't discuss the matter. We will look into it.

Mr. Bauer: When I turned in my forestry cutting plan to the Town, I was to meet with David Zagorski; Mr. Zagorski said that the Assessors were considering NOT putting his land into chapter.

Mr. Johndrow: This is a matter relative to the Assessors and/or the Planning Board, not the Selectboard.

Mr. Bauer confirmed that his concern is whether or not the assessors are conducting business as they should be.

Interview: Town Clerk Candidate(s)

Selectboard will interview candidates for Town Clerk. Votes may be taken.

The board conducted an interview with Mr. Dan Gilbert of Easthampton for the position of Town Clerk.

Mr. Finn offered a summary of the screening committee's work, and offered a recommendation of Mr. Gilbert to the Clerk's position.

Mr. Gilbert provided some background information, some information about his experience working with the Clerk's office in Easthampton, including his experience helping Easthampton implement 'ranked-choice voting'.

Mr. Johndrow: You will have to become certified? Mr. Gilbert: Yes, that process will take some

time to complete; I would pursue Justice of the Peace, as well as become a Notary Public.

Mr. Johndrow noted the necessity of meeting sometimes varied obligations (Town Meeting and local elections). Will that be a problem? Mr. Gilbert: Not at all.

Ms. Milikowsky: How are you at self-motivating / task management? Mr. Gilbert: That's how I have to work with my full-time business, as I often work on my own. Additionally, my college career at Hampshire College requires students to be self-motivated, and to chart their own course.

Ms. Milikowsky: Do you think that you might be able or interested in serving in other positions if needed? Mr. Gilbert: Yes – I like variety in my work; while I try to respect work / life boundaries, I'm happy to jump in and help out if needed. The appeal of this job is that I am only about 10 minutes away, which makes it easy to integrate into my current schedule.

Mr. Gilbert was thanked for his time.

Appointments: Town Coordinator Screening Committee

Selectboard will appoint and charge a committee to consider applications for next Town Coordinator.

The board reviewed a list of potential members of a committee to review applications for Town Coordinator, as well as a draft charge to be given to the committee.

After review: Ms. Milikowsky asked whether the committee might consider assessment of the organizational structure of the town, and whether there could be other options that the town might consider.

After discussion the board agreed to post a meeting for FRIDAY, June 26, 2026, 11 AM to consider town hall staffing, and to review the overall duties of Town Hall staff.
