Discussion: Town Hall Staffing

The Selectboard will engage in a conversation about Town Hall Staffing, reviewing the current job descriptions for Town Clerk and Town Coordinator, and discuss potential changes. Votes may be taken.

The board conducted a working session to consider and review the existing Town Coordinator and Town Clerk positions.

There was discussion about refining the two positions to expand the role of the Clerk to include certain clerical tasks currently managed by the Town Coordinator, and allowing the Town Coordinator to have more time and flexibility to manage higher-level tasks, such as human resources tasks, grant writing, and related.

Broad ranging discussion included review of the current Town Coordinator position, and Town Clerk position.

After some deliberation, the board

- Changed Town Coordinator to Town Administrator
- Amended duties include
 - o Policy Management
 - o Legal Counsel Interaction
 - o Financial Management
 - o Public Procurement
 - o Public Communications
 - o Economic Development
 - o Personnel Management
- Anticipated Weekly hours reduced to 32
- No change to salary

The board revised the Town Clerk job description to reflect a desired shift toward day-to-day administrative coordination with the Town Administrator while preserving the Clerk's independent statutory role. Changes are as follows:

- Position Summary and Hours: Revised to a 12–16 hour per week, non-remote, non-benefited exempt position, reflecting an expectation of increased workload and a requirement for on-site presence.

- Public Notice and Legal Document Responsibilities: Receiving and posting public notices for meetings and hearings, Certifying town actions, documents, and compliance with legal time requirements,
- Land Use and Planning Administration: Receive all applications for special permits, variances, subdivisions, and site plan reviews; Coordinate application schedules with board chairs; Prepare public hearing notices, abutter notices, and newspaper publications; Receive final decisions from boards and committees; Maintain permanent records of those actions.
- Licensing and Permit Intake: Receive applications for licenses and permits as determined by the Town Administrator and/or Selectboard;
- Bylaw Administration: submission of both General and Zoning Bylaw amendments to the Attorney General and maintenance of the permanent editions;
- Bonding Requirement: "As the municipality's official record keeper, and one who handles public funds, the Town Clerk is required to be bonded."
- Website Responsibilities: In coordination with the Town Administrator, maintain the entire Town website.
- Supervision Structure: "The employee functions independently, referring specific problems to the Town Administrator and/or Selectboard for clarity or direction needed."

After review and discussion, the changes to both job descriptions were approved by the unanimous consent of the board.

Board agreed to schedule and hold a second interview with final candidate for Town Clerk, Mr. Dan Gilbert, on Tuesday, January 30, 2026, 3 PM.
