4. Old/Ongoing Business: RDA/DOA—Continuation of Hearing for 40 Hathaway Rd.--Phil Dowling, garage demolition and reconstruction; based on **SITE VISIT**, Cons Com approves plans; negative determination, Cons Com approves plans and will issue DOA;

NOI Hearing, Town of Westhampton, Continued: NOI Hearing—Bill Jablonski, Superintendent of Westhampton Highway Department, on behalf of the Town of Westhampton; re: BNOI and culvert and slip line repair Reservoir Rd.: (AGREEMENT REGARDING BNOI AND WHAT'S INCLUDED, NOT INCLUDED, AND WHAT NEEDS OVERSIGHT/SUPERVISION/SITE VISITS;

5. New Business: BOH approval for septic system at 10 West Shore Rd., property owners—Douglas Deihl and Jane Deihl; Cons Com will contact BOH to confirm approval;

Melissa Nuttelman, re: septic systems at PIL; please see PIL assoc. if trees are taken down on nearby PIL property, remind owners of the rules re: work done, tree removal and debris within 200 ft of wetland area; should check with Cons Com before to make sure it's allowed; anything beyond routine maintenance... suggest property owners attend meeting before beginning work;

PIL Duck Island all set for now;

Meeting Ends: 7:20

BNOI Hearing Continues: 7:20

Hearing Ends: 8:22

Meeting Resumes: 8:33

BNOI Presentation by Angela Panaccione (PVPC): SEE EMAIL WITH ALL RULES AND REGULATIONS, re: AGREEMENT WITH BILL JABLONSKI AND CONS COM

Angela presents how to manage Bundled NOI for routine maintenance, etc.: WHAT'S INCLUDED, WHAT ISN'T, WHO MANAGES, OVERSEES, COMMUNICATION, OVERSIGHT, ETC.

Fred will send Angela's email to cons com members

BNOI for all town roads in Westhampton; outlines what work is permitted; outlines what work is included or exempt in BNOI and what isn't; no work allowed without filing NOI in certain situations and critical areas; unpaved roads are most environmentally critical and need to be brought up to standards; permitted activities; some activities will require NOIs; Bill and ConsCom will work together to determine what's ok and when NOI needs to be filed; work protocols will be set up—Bill will give Cons Com a list in spring for upcoming projects and we will review and help determine what work is permitted or rejected or requires filing NOI; Cons Com will conduct site visits when necessary; advising, delineation, and/or flagging may be required (and performed by Cons Com?); erosion controls; Cons Com will keep track of work (record in meeting minutes) and will send recorded minutes to Bill; Notification, site review at start of work; site visits; inspection at end of work and endorse approval in meeting minutes; priority habitat areas not exempted; how to notify abutters?; In spring, when Bill notifies Cons Com about upcoming projects, how to notify the public and abutters?; notification will be given on town website within 2 wks of projects—by highway department administrator (Kayla Diggins);

Continuation of NOI Hearing Resumes: Reservoir Rd. culvert and slip line repair:

Meeting Ends: 8:25

Continuation of Hearing Begins: 8:26

Reservoir Rd., culvert and slip line repair:

Emergency repair to culvert necessary; tracked excavator will be required; steep slope; some dead trees will be removed; removed trees will be used to support excavator, which will significantly reduce impact of the excavator (swamp mat); riverbed proper will be avoided; once culvert work is done, path will be retraced; excavator will do work without driving around; project complies with standards for Bank and Land Under Water Bodies and Waterways and Wetland Protection Act; little disturbance to land and waterway; soil will be stabilized to avoid erosion; work will be during dry period during late summer/early fall; contractor is lined up;

Cons Com votes to approve project/repairs; Cons Com will issue OOC (see Angela's narrative);

Hearing Ends: 8:55

Meeting Resumes: 8:56

6. Agenda next mtg to Town Clerk's mailbox: Agenda/Notice will be sent to Town Clerk for July 15, 2026

7. Adjourn: 9:04
