Friends Report

Friends did not meet last month.

Old Business

Results of the town meeting. Library budget was cut between 3-4%. \$100 over the state minimum requirement.

Current Officers: Jackie Brodeur is now the Chair of the Trustees, Anne Marie O'Reilly as Vice Chair. Angela Griefenis the Treasurer. Alison Thirkield is the Secretary.

New Business

Valley Solar did a solar panel diagnostic. One panel has malfunctioning parts. Not an urgent repair. But one of the inverters is failing, and that can affect the efficacy of the system. To fix it would cost pproximately \$3,500. That would deplete the building account. No decision will be made until we know if the town's revolving capital fund will pay for this. Solar system is 14 years old, approaching the time it gets less efficient.

Waiting for the town to work on their social media policy before we resume working on ours.

Any other Business to come before the Trustees, not anticipated at the time of posting of this agenda

Adjournment moved by Angela Griefen, seconded by Alison Thirkield. Approved unanimously.

Meeting Adjourned: 6:49 pm.
