Minutes

July 14, 2026

Present: Susan Bronstein; Wade Clement; Pat Coffey; and Jennifer Milikowsky

Meeting was called to order at 7:03PM

1. This was the first meeting since the Town Election, therefore re-organization was required. Susan nominated Jennifer to be Chair; Pat seconded the nomination. Jennifer explained that with Doug's leaving there may be a need to work with Pioneer Valley Planning Commission or possibly another consultant and given agreement on that Jennifer accepted the nomination.

2. Bill Tracy asked what the sign requirements are because the Church would like to update the sign. There were some questions regarding the direction of the lighting on a sign that can be programmed using LED lighting. The Planning Board referred Bill to Wally Marek, Building Inspector.
3. The new regulations for Solar Siting and Permitting were discussed and the MMA presentation explaining the new process was reviewed, including battery storage. This raised the question about required frontage, especially as it relates to the possibility of a siting at JAWS and fire safety access. Additionally the process now allows for an Environmental Consultant to be paid for by the applicant.
4. Further discussion resulted in an agreement to consider bylaws for mixed use approval, e.g. commercial/residential, and for ground mounted solar requirements.
5. Susan made a motion to adjourn at 8:32 PM, seconded by Wade.

VOTE: 4,0,0

Respectfully submitted,
Susan Bronstein
