

3/10/26 BOH meeting minutes

Mary lou & Charles, Robby Armanti, Sydney Lewandski, Brian Chapdelaine

start 5:58

Minutes from January and February meetings were reviewed

KB motion to accept, RA 2nd motion passed unanimously

FOOTHILLS Health District reporting

33 N road septic permitting, the paperwork handed to 33 N road residents at this meeting, perc test passed. Plans on the way and septic redo is ongoing.

Steve's Sugar Shack was inspected prior to opening in Feb. Owner plans to epoxy floor every year until completely up to code, however looked good to open.

225 NW road still not responding to requests for site visit, there has been no communication, Brian is going to go there to see if he can talk to owner this month.

General Food inspections - FHD has inspected all food establishments in all towns and are up to date, will complete same for 2026 including residential kitchens which were not gotten to due to time constraints.

Brian will call the church to inspect the kitchen as they are not permitted yet. Coming up are camps and camp kitchens inspections.

28 pine island SL and Todd are in communication re this property.

School fundraiser: the school will get in touch with FHD - Robby will write to Michael Braidman to do so this month as event is April.

Permit eye ongoing, SL getting info from open gov and inputting, FHD is no longer using the intern.

Camp fees will ne revisited in April BOH meeting.

SYD adding to state permitting info, ongoing and she will update us at the FHD meeting this week.

KB asking to start at 5:45pm now that things are ramping up so that we don't bump into the Select Board meeting. All agree, KB will reach out to Heather. END meeting :5:40

Next meeting April 143, 2026 at 5:45
