Agenda item 1: Minutes from January 2026

KB: motion to approve

HL: seconded

None opposed; minutes are approved

Agenda item 2: Public speaking time

Marylou and Craig Burgess: 33 North Road—looking for update on paperwork submitted on perc test during the last week of Jan.

- Paula at ACHC would've gotten the paperwork at the end of the month.
- Sydney went to 33 North Road to inspect and performed the perc test.
- BC indicated that his office should have everyone's contact information because Sydney did the perc test. (A permit was pulled for it if she performed the test.)
- KB noted that this item will be on next month's agenda.
- BC will check in with Sydney to see if the review has been done.

Agenda item 3: KB verified that everyone has received the Foothills report sent out by BC earlier this month. KB asked BC if Sydney's raise after the review has been given to her by the Finance Committee.

Agenda item 4: Follow up on 225 NW Road discussion from January

- BC confirmed he called the owner twice, and will continue trying to contact the owners.

Agenda item 5: 28 Pine Island Lake and 228 NW Road construction/septic

- Nothing to report at this time.

Agenda item 6: Permit Eyes

- BC shared that there have been no updates since the January meeting.
- Haven't had sandbox access because we haven't paid for it. Waiting for funds from Public Health Excellence Grant. Still working on funds rec'd Oct. of last year. If funds aren't received in February, there won't be enough operating funds. Ron with the state says funds haven't been approved yet.

Agenda item 7: Camp fees

- BC indicated that he's sending a memorandum to camps early next week to provide a schedule of current fees, but with an indication that they are subject to change. BC plans to send a memo in future years during the winter. Camp operators will need to sign into mandatory zoom call for information.

Agenda item 8: High school fundraiser

- No movement on this issue since last month.
- RA will follow up with Michael Braidman next week to determine if they will need a permit.

Next meeting will be at 6 PM on March 9, 2026. HL will be traveling out of state for business and won't be able to attend in-person or via Zoom.

Meeting adjourned at 6:31 PM.

Respectfully submitted,
Heather Livingston
