

Westhampton Board of Health
April 13, 2026

Katch Bacheller, Chair
Heather Livingston
Brian Chapdelaine, Health Agent
Sydney Lewandowski, Health inspector
Marylou Burgess (guest)

Agenda item 1: Minutes from March 2026

KB: motion to approve

HL: seconded

None opposed; minutes are approved

Agenda item 2: 33 North Road

- MB shared that ACC in Chesterfield put the septic plan out to bid the previous Monday. They're waiting until April 21 to secure a contractor.
- Plans were dropped off in March (estimated). Paula in Chesterfield gave MB a copy of the plans.

Agenda item 3: Inspections

- 225 NW Road: BC successfully contacted Cody, the owner's partner. BC believes there's a good chance of progress by the end of the month.
- 233 Southampton Road
 - A complaint was made about an illegal junkyard on premises.
 - BC performed a drive-by inspection in mid-Feb.; didn't see anything of major concern.
 - BC noted that the request came from Mass. DEP.
- 22 North Road: Plans were dropped off in March (estimated). Paula in Chesterfield gave MB
- Steve's Sugar Shack
 - SL went to inspect on March 15.
 - There were some violations (e.g., handwashing sink, handwashing).
 - Out of eight (8) violations, seven (7) have been fixed.

Agenda item 4: Camps

- BC hosted a presentation for camp operators in March. Kurt with Bio-citizen has been receptive and acknowledged receipt of slides. He has indicated he'll fill out the paperwork by the due date.

Agenda item 5: Church kitchen permitting

- Started their permitting process; there's no payment due now. BC encouraged them to start the application before July 1 when Permit Eyes goes into place and noted they would be exempt for this year. The permit fee is payable every other calendar year in the future. Application was submitted on the previous Friday.

Agenda item 6: Permit Eyes

- SL reported the sandbox needs some "sandcastles" and items on the website need to be tweaked to fit Town's needs (e.g., SL wants Title 5 info included).
- BC indicated that the assessor's database has been transferred. Town's data isn't 100% complete, but Sam is nearing the end.

Agenda item 7: Camp fees

- BC provided permit fee updates in an email to permit holders; SL followed up. There have been no negative responses.
- Day or residential camp: \$300 starting July 1. Most camps won't be subject to these fees until next year because most are applying in May.

Agenda item 8: New business

- KB indicated that there's a potential junkyard situation on South Road. SL will take a look and share her findings.
- Foothills Health District
 - SL requested private well and septic well regulations be added to the next agenda.
 - Glen's SME was for the creation of private well and septic regs.
 - BC would like to get these regs. in place across the Foothills. Each board has to vote individually.
- 26 North Road
 - SL has fielded complaints that the owners are working on their septic without a permit.
 - SL performed a visual inspection from the parking lot of Steve's Sugar Shack.
 - KB requested SL to send out a letter to the owner/occupant to inspect.
- Body art
 - Williamsburg and Whatley have adopted body art regulations.
 - Whatley has a cannabis dispensary.
 - The dispensary would like to host a temporary body art event on 4/20 every year.
 - KB recommended the Town write regulations on body art to stay ahead of the need.
- Foothills Health District membership
 - KB recommended exploring bringing Southampton into the Foothills Health District because of the value provided.
 - She also expressed concern about reporting into Westhampton. Town report said \$10,000 had been brought in, but KB's recollection was that FHD brought in \$15,000.

Next meeting, May 11, 2026, at 5:45 p.m.

Meeting adjourned at 6:40 p.m.

Respectfully submitted,
Heather Livingston
