

Westhampton Board of Health minutes

Thursday August 1, 2013

Meeting opened @ 7PM

Present: Dan Wasuik, Valerie Bird

Opened and reviewed mail.

Discussed DPW taking over transfer station bills, and responsibilities. Both agreed it was a good idea. Transfer Station attendant would remain as he has been. Dan will check and see how much would have to be taken out of BOH budget to cover transfer station expenses.

Discussed Health Agent hours, and a possible increase due to Mr Brooks resignation. Dan will check with Margie to see if there's enough budgeted to cover additional if necessary.

VBird wishes to attend MHOA workshop on housing. Dan agreed it was a good idea. Dan will check with Margie to see if funds were available to pay for this. Westhampton has had one housing issue this summer, and the likelihood of more is inevitable.

Also in discussion

- **the need for another member, and the possibility of the Selectboard taking over as Board of Health.**
- **Computerized forms with Town letterhead**
- **Winter organization activities for the BOH Agent.**
