- 1) Introductions
- 2) Reviewed last year's minutes. Approved, no changes.
- 3) Reminder that everyone needs to attend basic ethics training course on line
- 4) Reviewed our term expiration dates:
 - a. Robbie Armenti 11/21/2020
 - b. Robbie Heidinger 01/12/2017
 - c. Ann Lewis 10/24/17
 - d. Brian Mulvehill 04/11/22
 - e. Sarah Mulvehill 01/12/2017
 - f. Lara Ramsey 04/11/2022
 - g. Greg Reynolds 11/18/2019
 - h. Alison Smith 04/08/2022
- 5) Elizabeth Myersohn will not be offering her program that was funded for the 2015-2016 cycle. That \$200.00 is folded back into the budget.
- 6) Charles Neville has an extension (wrote letter of request). His funds (\$300) are not in the pool to be disbursed this year. Robbie A. will write a letter establishing January 15th, 2017 as a deadline by which we need to know his plan.
- 7) Ann asked for \$50.00 for clerical expenses. This is less than ever before, but possible because, for the first time, the process is online. Idea here is to give out as much in grant \$ as possible. Note that town is contributing \$75.00.
- 8) Reviewed community outreach feedback. Community input was recruited through a questionnaire at the library and through an invite-to-talk at Westhampton Fall Festival.

- a. Accessible dance, variety of dance
 - b. Funding field trips
 - c. Mixed ages events
 - d. Singing, variety of singing
 - e. Literary events
- 9) Suggestion to “adopt” a grantee and stay in communication with that person/group. We can obtain feedback that way and see the results of the grant.
- 10) Available funding for 2017: \$4,648.00.
