Notes to Members:

We are beginning to organize for preparation of the new budget, which will require attendance at a series of meetings from March to mid- April. Typically, during this process we will be meeting once/week. While it is difficult to find an evening that works for everyone, we would like to select a day that works for most of us, so we can be assured of 6 attendees so that we have enough members for a quorum, a necessity to conduct a meeting. We are looking at either Tuesday or Wednesday nights (or possibly some combination of both). Please let me know what your preference is, if you have one.

And, please remember to RSVP to Cheryl, if you plan to attend a meeting. While things come up at the last minute and we sometimes are unable to attend, it is very much appreciated that you let us know if this happens (email Cheryl) so we can be assured of a quorum. Everyone has been most cooperative in this regard and I thank you.
