- 3) Transfer request of \$42.80 to the Zoning Board of Appeals for extra costs of advertisements. VOTE 8-0-0
- 4) Other matters:
 - Town Caucus is coming up on April 12.
 - Police reform and training requirements: There are no numbers for costs currently.
 - Public Safety Complex has passed. There is now the question of bonding this project now or doing a construction loan. Bonding the project now would lock in the current interest rate.
 - Tad Weiss put in HRHS 46-48 tabs in the Monster Excel sheet, pulled out all the items that are budget increases and added graphs to help with visualizing. There is a Chart tab that has additional helpful graphs for visualization.
