

SELECTBOARD
TOWN OF WESTHAMPTON
TOWN HALL
1 SOUTH ROAD
WESTHAMPTON, MASSACHUSETTS 01027

Minutes of May 10, 2019

The meeting convened at 7:00 p.m.

Present from Selectboard were Phil Dowling (Chair), Art Pichette, and Maureen Dempsey.

Present from Finance Committee were Tom Cleary (Chair), Chevy Seney (Secretary), Mary Cleary, Steve Holt, Peter Montague, Tad Weiss, and Sarah Mulvehill.

Others present were Chris Norris, Fire Chief; Susan Bronstein, Town Clerk; Bill Tracy, Moderator.

Minutes were taken by Cheryl Provost.

The articles and motions of the Annual Town Meeting were reviewed; highlights were:
Article 21, Ambulance match grant, will be moved by C Norris. The amount in the Ambulance Reserve Receipts is less than the request for \$30,000.00 to pay the match if the grant is approved. C Norris agreed to seek \$27,000.00 from the fund.

Articles 28 & 29, transfers from Free Cash, T Cleary recommended placing a hold on until reconvene; so aged.

Article 30, solar PILOT, P Dowling provided an update and will speak to it at town meeting.

Article 31, contract for recycling processing services will be presented by Tom Martin.

Line items of the FY20 budget were reviewed. Holds will be placed on the following items until reconvene:

line 69, Safety Complex

line 73, Inspectors Expenses

Lines 87 & 88 Long Term Debt & Interest

B Tracy reported he and Bob Miller purchased a wireless microphone set that includes 2 headsets and two hand held mics for \$174.00. They set up and tested the equipment last week. He had confirmation from Cheryl that funds were available in the Town Offices Account.

The Finance Committee reviewed and considered a request for a transfer from the Reserve Fund to the Public Safety Complex. C Norris explained the need for it. P Montague spoke to the responsibility of the committee to make recommendations on budgets. He disapproves additional funding for accounts where irresponsible spending has occurred. He continued by submitting an invoice paid in the amount of \$652.14 for service and battery for the generator at the complex. The battery cost \$114.64 and could have been installed by a member of the fire department and highway department. C Norris had been away when the generator failed and was told it was an emergency. S Holt was in charge and deferred to C Norris who authorized to have it repaired to get it running. P Montague also explained that the Safety Complex budget was overspent and that is not supposed to happen. Unforeseen expenditures also include repairs to the leak in the roof and the installation of the police door. Discussion was held

regarding the potential cost to repair the roof, and the possibility that repairs completed last year may be covered by workmanship guarantee. T Cleary made a motion to amend the request from \$5,000.00 to \$2,900 for a transfer from the Reserve Fund to the Safety Complex. No second. A Pichette confirmed the contractor would guarantee his work from the previous year but the leak may expand beyond those repairs. He suggested an increase of another \$500.00. T Cleary made a motion to transfer \$3,300.00 from the Reserve Fund to the Safety Complex. Second was made and motion passed 5-yay's, 2-nay's, 0-abstained.

Requests for transfers between appropriations in accordance with Chapter 44:33b of the Massachusetts General Laws were reviewed and considered.

Transfer of \$994.11 from Tax Taking Expense (015147.000) to Tax Collector Expense (015146.700)

Approved by Selectboard 3-yay's, 0-nay's

Approved by Finance Committee 7-yay's, 0-nay's

Transfer of \$12,000.00 from Road Machinery Fuel (015426.700) to Road Machinery Fuel Storage Tanks (new account). Funds will establish an account for the purchase and installation of new fuel storage tanks at the highway dept. An estimate for the installation of a diesel tank and gas tank was received in the amount of \$34,772.70. The estimate also provided alternative cost for installing the gasoline tank only and set up for the diesel tank to be installed at a later date in the amount of \$20,265.88. The remaining \$14,506.82 would due upon installation of the diesel tank. Additional funds will be required for the remaining balance.

Approved by Selectboard 3-yay's, 0-nay's

Approved by Finance Committee 6-yay's, 0-nay's

Transfer of \$100.00 from IT Infrastructure (015122.713) to IT Support (015122.711). Infrastructure upgrades are complete and under budget. Some invoices had been combined and additional funds for IT Support are needed for the final FY19 monthly support.

Approved by Selectboard 3-yay's, 0-nay's

Approved by Finance Committee 6-yay's, 0-nay's
